EXECUTIVE SUMMARY

Senior commercial and operational leader with more than 25 years of experience building, scaling, and transforming technology-led businesses across Asia-Pacific and global markets. Operate at executive and board-facing level, with accountability for commercial outcomes, operating models, governance, and multi-market execution. Background spans acquisition integration, growth-stage capital raises, and sustained revenue expansion across businesses operating in more than 70 countries.

Creator of the EDGE Framework for Applied Intelligence. Publisher of AiinASIA.com, an executive editorial brief reaching approximately 10,000 readers per month with zero paid distribution. Singapore-based for 13 years.

Most effective in complex environments where clarity, pace, and consequence matter.

PROFESSIONAL EXPERIENCE

SQREEM TECHNOLOGIES

Senior Vice President, Commercial Operations, Strategy and Governance *Singapore | 2022 - Present*

Executive responsibility for global commercial strategy and operations following the acquisition of TotallyAwesome by SQREEM Technologies.

- Owned commercial performance, pricing, margins, and operating alignment across a global footprint covering 70+ countries
- Sourced, helped broker, and led the integration of TotallyAwesome into SQREEM (2024), establishing common governance, pricing frameworks, and execution discipline
- Negotiated and closed more than 30 complex commercial and strategic agreements within the first ten months post-acquisition
- Introduced a global price book and margin strategy, materially improving revenue quality and operational efficiency
- Acted as a senior executive partner to the CEO and leadership team on growth strategy, investment readiness, and execution risk
- Led cross-functional teams operating at global scale across multiple time zones and regulatory environments

DIGITAL TURBINE (formerly AdColony)

Growth and Marketing Director, APAC *Singapore | 2020 - 2022*

- Repositioned the regional business into gaming and in-app performance markets, delivering significant revenue growth
- Led the APAC launch and commercialisation of in-game advertising platforms, including Anzu.io
- Built award-winning commercial solutions for global brands including Unilever
- Owned regional partner strategy, go-to-market execution, and cross-functional delivery

THEPARENTINC

Chief Strategy Officer *Southeast Asia, Australia, Africa | 2017 - 2020*

- Led organisational and commercial restructuring, driving 55 percent year-on-year revenue growth
- Built the commercial narrative, operating roadmap, and governance framework supporting a successful Series C raise
- Supported the company's expansion from digital media into packaged healthcare products

PERFORMANCE ASIA

Partner *Singapore | 2014 - 2017*

- Co-founded and scaled a programmatic advertising business
- Built the operating model, commercial framework, and client portfolio
- Grew revenues to USD 1.5M within 24 months

EARLIER CAREER

Senior commercial leadership roles *United Kingdom | 2001 - 2013*

- International Commercial Development Director, FOX Interactive
- Senior Commercial Development Director, Virgin Media
- Regional Director, CBS Interactive
